The Organisation's 12 Principles

1. To ensure that the Organisation has clear direction that is in alignment with the goals of the Organisation.
2. To ensure that plans are mutually agreed and that they translate into actions.
3. To ensure that we understand our customers and use this information to develop strategies and actions and to provide exceptional customer service.
4. To ensure that we strive for continuous improvement as an Organisation and develop appropriate systems and processes.
5. To ensure we care for and value our people and realise our potential through our people.
6. To ensure that we are continually learning as an Organisation.
7. To ensure that we identify system improvements and implement necessary changes.
8. To ensure that we contribute to the community and add value to the community.
9. To ensure that we use facts, data and knowledge to assist in making decisions.
10. To ensure sustainability through risk managing and careful financial planning.
11. Ensure effective leadership and role modelling throughout the Organisation.
12. Ensure we create a culture of innovation and idea generation.
